About Startupnight

Startupnight is one of the largest startup fairs in Europe. It will take place for the seventh time on 6th September 2019 in the heart of Berlin. More than 280 startups will give presentations to more than 5000 visitors on themes including the *Next Gigabit Society*, *Connected World*, *Smart Data Economy*, *Future Mobility*, *Future Tech* and *The Next Next*, meaning *disruptive innovations*. Under the motto "the only night you need", young entrepreneurs will have the opportunity to interact with investors, potential customers and cooperation partners.

Startupnight is an initiative of Deutsche Telekom AG with hubraum, Telekom Open Spaces, Volkswagen, E.ON, Investitionsbank Berlin, Berlin Partner and Technology Review.
